

about us

Commercial Design & Multimedia
generating amazing results since 1994

We build sites for small, medium and large organizations and take pride in the long term relationships we maintain with our clients. Whether you have a few hundred or a few million visitors to your site, Commercial Design and Multimedia is the right choice for your project.

"...Commercial Group is instrumental in every aspect of our business online"

Mike O'Dell, VP
Running Room

what we do

- **Custom Web Design**
- **Search Engine Optimization**
- **E-Commerce**
- **Rapid Manager**
- **Managed Hosting**

"...they provide the support and service we need to keep our systems running full-time, all the time"

Anthony Talarico, Director of IT
The Hurley Corporation

"We found the Commercial Group and the fit is everything we hoped for and more"

Sharon Ellis, President
Medion Corporation
